

Start saving on your *inbound* shipping costs today. If you are enrolled in the NSGA Shipping Program, **simply check below every vendor who ships product to you.** PartnerShip will then convey your new routing instructions to your selected vendors. Once these instructions are in place, your ***inbound*** shipments will arrive via one of the NSGA Shipping Program carriers at your NSGA discount rate, saving you from inflated shipping charges.

Please check (✓) which vendors should receive these routing instructions.
